

Bill Taylor - Director

Central Missouri Sedalia Chapter of Harley Owner's Group (HOG)

Chapter #2603

Welcome!

To the Central Missouri Sedalia Chapter of Harley Owner's Group (H.O.G.) 2012.

Our mission is simple in statement and reality. The mission of the Harley Owner's Group is to "Ride and Have Fun".

The Central Missouri Sedalia Chapter continues to support this mission to the fullest. We are not a legislative group but do support Rider's Rights. We encourage our members to also join the American Motorcycle Association, AMA, which is organized to lobby against any encroachment upon or motorcycle rights. We, however, are a family oriented organization that share in the camaraderie of riding Harley Davidson motorcycles. Our membership is diverse, friendly and caring; we are family.

As mentioned, the diversity of experience and experiences of the membership of our chapter is a wealth of information that is shared freely. Don't be afraid to approach any member with questions, concerning your motorcycle, events or protocol. Any of us will be happy to inform and encourage anyone entering the sport for the first time or new to HOG.

If we don't have answer, we sure can find someone that does.

We are also very fortunate to be sponsored by Yeager's Cycle Sales. Our sponsor/dealer takes an active role in the organization from being sponsor/dealer to holding various positions in the officership. They are not a sit back and let it happen sponsor but share in the fun and riding of the chapter.

Our meetings are held monthly at 7:30 p.m., on the third Thursday of the month at the sponsor/dealership, Yeager's Cycle Sales, South 65 Highway in Sedalia, Missouri.

Those elected to steward the chapter try to organize activities that will be of interest to all chapter members. We have group rides to both lunch and dinner at preselected sites we dine together; we have organized poker runs; and we have rides that are just to meander the countryside. We have both Spring and Fall rides to a destination where we remain overnight. These have always been well attended and a lot of fun. We have a chapter picnic, usually in the fall, for all members and their guests.

We also participate in charitable events from time to time that are both beneficial locally and nationally. We have planned some very exciting events for 2012. We hope you can attend as many as possible but also realize that we all have various commitments that pull us away from the joy of motorcycling.

Be sure to keep informed by checking the calendar and other information posted at www.sedaliahog.com which is kept up-to-date by our Webmaster. If there is an activity you would like to see on the calendar, please feel free to contact me at billandpenny@live.com. Or, if you have questions, comments (both good and bad) please feel free to contact me.

Looking forward to 2012, I think it will be GREAT!
