## January 2012

### News Letter

Monthly meetings held at Yeager's Cycle Sales on the 3<sup>rd</sup> Thursday of each month at 7:30 pm.

Jan 19, 2012

The meeting was called to order by Bill Taylor, Director.

Minutes from December meeting were approved.

**Frank Rouchka, Treasurer:** Read the financial report for our club account and charity account.

Welcome guests Sandra Derks from Sedalia and Kevin Sheppard.

**Larry Yeager, Sponsoring Dealer:** We will be having our blood drive February 11<sup>th</sup>. The last few years we have been able to get 50 or 60 people to donate. It will be between 10am and 3pm that day so please join us and let's break a record. You will get a T-shirt and we will have cookies and drinks for you as well.

We have a great schedule set up for the year. We have some different events and lots of new stuff.

We also want to present Frank Rouchka a plaque for being our treasure for the last 22 years. Thank you so much for your dedication to our chapter.

**Kevin Boyer, assistant director:** Lets all get involved with the mileage contest this year. 573-268-6346 is Kevin's phone number if you want to text him your mileage or give him a call to get on the list and get started. Please get on the list. It would be great to see what our whole chapter rides as a whole! Maybe we could even get it in the Hog Magazine. WE NEED YOUR MILES!

**Marty Thomas, Head Road Captain:** We have a copy of the schedule of events for this summer back on the board at Yeager's, along with the Road Captains names and numbers. Check it out and let's go have some fun!! Check out the event and call the road captain for details. We are going to have some fun this year.

**Don Dickey, Legislative Officer:** As the session goes on he will be tracking things that may be of interest to us. There really isn't anything right now going on with motorcycles. He did see one thing however if you have been in the military and have ridden a motorcycle in the service and you go to get your civilian license you will not have to take another test.

**Pam Yates, Ladies of Harley:** Thank you Bette Hayden for doing a great job on the Christmas Party getting involved late in the game. You did a great event.

If you all would like to participate in a Spa Day we will be having one on the 15<sup>th</sup> of April at the Island Salon and Day Spa in Lone Jack. We will have more info on this event and specials that you can get at the next meeting. You don't have to have a service to go; if you like you can just come up, hang out and enjoy some great conversation, beverages of your choice and food!

**Chuck Buck, Safety Officer:** If a nice day comes along and you just go out and hop on your bike, do you think about checking anything before you go? Well one of the things that you may want to check is your tires. Check your tire pressure to make sure there is enough in it, to low it will make your tire hot, to much it could make for bad handling. Don't forget your brakes, check those too, it is always nice to get stopped on time!

**Melissa Richwine, Motor Cloths:** February 2<sup>nd</sup> thru the 4<sup>th</sup> is the Dealer show. We will be looking into the new clothing lines and we have a book here that we would like you to look in and give us your opinion of what you would like to see here in the shop as far as clothing. Let us know; we want to hear from you.

**Rick Yeager:** Everyone think about attending the bike show at the fairgrounds February 4th. There will be a mini swap meet as well as vendors set up. This is put on by the Sedalia Motorcycle association. The bike entry fee is only \$10.00 and the door entry fee is only \$5. Food and beverages will be available and there will be music by 2 Buck Drunk!

We also have received some thank you letters from the families that we donated to at Christmas time. There are some very nice heartfelt letters that we have here. They are very nice!

**New Business:** Going forward we will only be emailing the newsletter out. By doing this it will save us approximately \$2400 dollars per year. If you absolutely need the newsletter mailed to you, please see us at the monthly meeting and we will get you put on a special mailing.

Last month we hit 680 on our food goal for hogs for hunger! That is great considering we had a goal of 500. Next month is our last month for the food drive so let's go out with a bang and hit 1000!!! Bring your goods and have a chance to win \$50!

Next year for the toy run for Christmas think about maybe stuff that a 12 to 15 year old would like. They are the age group that usually runs short. CD's, DVD's, Makeup, things like that. Just get with a teenager that you know and find out what they would like and that might be a great idea for next year.

Kevin Boyer won the 50/50 pot and Gary Hayden won the door prize.

Meeting adjourned, Barb Stuart Secretary

### **HOGS FOR HUNGER NEWS!**

We collected 287 food items for the month of January, which will bring our grand total to 967 items, which is just awesome!

We would like to thank Robert Taylor Insurance for sponsoring this month's drawing. Congratulations to Tony Sahlfeld for winning the drawing prize and thank you for donating the prize money back to the Open Door Benevolent Ministries.

The next prize drawing period is now thru Feb. 16th. You can drop off your donated items at Yeager's Cycle anytime Mon-Fri 8am to 6pm, Sat 9am - 4 pm. This will be our last month for HOG's Against Hunger Food Drive.

Thanks you to everyone who has sponsored and donated food items, making this food drive such a success!

Thanks, Penny

**From the Director:**

**We have a great calendar laid out for the year. We hope everyone will find something that interests them.**

**Don't forget the opportunities you have with your H.O.G. membership. There is the mileage program; the ABC's of touring and numerous pin stops throughout the year.**

**These are but a small part of your advantage of being a H.O.G. member. Be sure and review your membership booklet.**

**Looks like there will be some good riding days ahead, so get out and ride and have fun.**

**Bill**

**The calendar is not all inclusive. There may be events added or deleted as the year progresses.**

If you are planning a ride and would like some company, let me know and I will put it in the news letter. If you have an article or an announcement for the newsletter, it must be to me by the Tuesday morning following the meeting. Send it to [tony\\_sahlfeld@yahoo.com](mailto:tony_sahlfeld@yahoo.com)

We do not want to exclude anyone from getting the Chapter News. But with increasing costs, it would be most beneficial to go paperless for the chapter. Please give us your e-mail address to receive the news letter if at all possible. Thanks. Ed.

A man saw an ad in the paper for a talking dog for sale. He called the number listed to see if the dog was still available. It was. So he asked to come and see it and he was told to come right over.

When he got there a man in the front yard greeted him and asked if he had come to see the dog. The first man said he would really like to see a talking dog. So, the man in the yard told him the dog was out behind his house and to go ahead and take a look.

The first man found the dog and asked him, "Are you really a talking dog?" The dog replied, "I sure am". "You know I am world famous". "I have helped break up drug cartels because of my ability to speak". I have caused various assassinations of many dignitaries to be thwarted by relaying information to the CIA and the FBI." "I have even had my voice used in Hollywood to voice over some of the actors whose voices are not quite what they should be." "And, my voice has been used for many commercials on radio, television and on u-tube."

Well, the first man thought he had to have this dog. So he found the owner in the front yard and asked the asking price for the dog. The owner responded, "ten dollars". The man was shocked and said, "ten dollars for a talking dog?" The owner replied, "Yeah, I just want to get rid of him." "He is such a liar". "He hasn't done any of that crap he told you".
